4 SEP
2024

10:00AM
-11:30 AM

Microsoft Teams

WEBINAR SYNOPSIS

Changing regulatory, accounting and economic frameworks in Southeast Asia markets create challenges in managing risks across the balance sheet.

Discover how to leverage structured solutions to enhance capital management, mitigate risks, and optimize your company's financial health.

The session will explore current transaction trends in the region and present practical case studies, deepening participants' understanding of structured solutions in a rapidly evolving market.

REGISTRATION

- Complimentary for all ASM members
- Registration link: <https://bit.ly/3Xed6hb>
- Deadline: **2 September 2024**
